Dear CF Care Provider,

We have received an application from the applicant listed above for a BreatheStrong grant from M4CF. Part of our application review process is to verify with their CF care provider their current health status.

The information we would like from you:

1. How long have you treated this patient?
2. How would you rate their compliance with medications and treatments on a scale of 1-10.
(10 being 100% compliant.) Circle one: 1 2 3 4 5 6 7 8 9 10
3. Do you endorse their participation in the activity listed above as potentially beneficial to their health?
4. Do you have any concerns about their participation in these activities?

As the primary CF care provider for the patient listed above, I support and encourage their participation in physical activity as a part of their well-being. I understand that M4CF is not promoting any form of interaction between CF patients, and the funds being applied for are strictly for individual purposes of promoting recreation as an additive measure of airway clearance. I feel that he/she is an excellent candidate to receive a BreatheStrong Grant through M4CF.
